State Engineer.

APPROVAL OF STATE ENGINEER

This is to certify that I have examined the foregoing application, and do hereby grant the same, subject to the following limitations and conditions:

This permit is issued subject to all prior rights on the source. The State reserves the right to regulate the use of the water herein granted at any and all times. Water can be conserved only when its storage will not interfere with the use of water for direct irrigation purposes.

The amount of water to be appropriated shall be limited to the amount which can be applied to beneficial use, and not to exceed 3.24 cubic feet per second. (Three and 24/100)

Actual construction work shall begin on or before June 10, 1915.

Proof of commencement of work shall be filed before July 10, 1915.

Work must be prosecuted with reasonable diligence and be completed on or before June 10, 1918.

Application of water to beneficial use shall be made on or before November 10, 1921.

Proof of the application of water to beneficial use must be filed with the State Engineer on or before December 10, 1921.

WITNESS MY HAND AND SEAL this 10th day of April, 1915.

Proof of labor filed JUL - 9 1915

Map filed OCT 1 1915

~~Cancelled~~ because of failure of applicant to comply with provisions of permit
